

A photograph of a cluttered workbench. In the foreground, a blue-handled wire cutter and a soldering iron with a coiled cord are prominent. Behind them, various other tools like pliers, screwdrivers, and a green-handled tool are scattered. A power supply unit with a fan is visible on the right. The background shows a wooden cabinet with more tools and a window with a patterned curtain.

Description

Garmin navigation, grab it poles, bush cutters, garden shears and more

Quantity: 1
