Description

Husqvarna snow thrower Model ST224P, features electric AC plug in start, headlights, 208 cc Husqvarna engine, 24 inch clearing path, 12 inch ribbon auger to move snow and 180 degree directional remote chute rotation. Also included is a plastic tarp enclosure that attaches to the handlebars to surround the operator and protect from flying snow. Tires and snow moving parts looks as if it hasn't been used much.

Quantity: 1
